Objective Experienced design professional looking to provide innovative and creative designs with a commitment to quality and time efficiency.

Profile

Award-Winning Graphic and Web Designer - Extensive experience of both print and web design. Developed brand and corporate identities, web sites, public advertisements, contract proposals, and in-house marketing materials for professional services in the entertainment and traffic engineering industries

Effective Team Player - Known for creativity, innovative design work, flexibility, loyalty, and respectfulness. Former manager noted: "Wilson is one of the most loyal and creative designers that has come across my department in all my years in this company. He has a unique and uncanny ability to interpret a client's thought and unspoken wishes while developing his own unique spin to make the project the right solution for everyone involved" – Joseph Neptune, PhD.

Experience **2005 - 2009** **GMB Engineers & Planners, Inc.** **Orlando, FL**
Web and Graphic Designer and Map Developer

Managed graphical and web layout presentations. Required to perform various contract and marketing duties as well as assist in developing project scopes and proposals for company contract requirements and awards.

Major clients include: FDOT Districts 1, 4 and 5
US 27 and SR 82 Planning Projects

2002 - 2005 **International Academy of Design & Technology** **Orlando, FL**
Graphic Designer and Print Shop Manager

Assigned various duties including web page maintenance and design of IADT promotional materials as well as television and radio spots. Assisted programmers in implementation of video and imagery onto site as well as graphical design layout. Helped implement IADT referral programs and establish product awareness by presenting a cutting edge look to the company that attracted students to the designed programs.

2005 - 2005 **TNA Wrestling Entertainment** **Orlando, FL**
Web Designer and TNA en Español Web Producer

Managed various duties including web page maintenance and design of TNA Mini Websites. Introduced the first ever Spanish oriented website for pro wrestling in the United States called TNA en Español with NFL Spanish broadcaster Armando Quintero. Created Rise Media Studios with the banner of TNA Entertainment to flagship my freelance work with the blessing of the company and management.
